Sept. 27. Oct. 4. also the trees last
night at St. Catus, as it is blowing
a gale to day we cannot get
them planted, but will wait

Spaid Station master \$2.40. freight

I made inquiry about
a road to the station every
one on this side of the line is
in favour of it. Mr. Dubie on
whose farm part of the curve
is built, says, Mr. Flemining
spoke to him about giving land
for a road there, (via at the
east of the curve) as it would
be an advantage to Sandy Bay -
Nanton. He will look a mate of
it in his book - It is a good
place for a road, 33 acres
from the main road to the station
