Dear Sir.

I wish I might

express to you the great delight I experience  
in the possession of a piece of Coypou. The  
photographs of the fossil fish I have  
mounted and framed in my cabinet.

and I feel very rich with my treasures.

I have an Oregon's head  
which I brought from Oregon and - if I

can choose - I think it and my Cydon  
constitute my greatest treasures.

I have a piece of leaf impressions  
- a duplicate - which I also brought from  
Oregon and which I would be very  
happy to send you if you will accept  
it. I hesitate to offer as you may  
have specimens from the same rocks  
that surpass it.

Thanking you for your great  
kindness

I am

Yours Respectfully  
Wm D. S. Gilbert.
