To D. Dawson - Proprietor. McGill. —

My dear Sir,  
We know each other every way but in the flesh:  
& this deficiency I hope to find remedied shortly. —

Please Providence, I shall be enquiring for my letters & at  
the Montreal post office on Tuesday M<sup>o</sup> 9 next, — & meant to arrive  
at the <sup>Bonaventure</sup> Station by 9.30 on Monday Ev<sup>g</sup>. — If to meet you there  
& there all the happier; if otherwise, I go to some best hotel  
(I suppose the Ottawa) —  
& hope to find a letter from you next morning at the P. O.

Mr. Fesenden will perhaps have notified my probable coming  
By: also D. Talmage, & possibly others. — If my quest  
meets with encouragement, I am to read [for my own works]  
at Montreal on the 7<sup>th</sup>. — Anyhow I hope to be there on the 4<sup>th</sup>.  
Believe me to remain Very truly Yours
