My dear Sir,

Your of yesterday
has been received. In
so far as I know the
views of those interested
in the welfare of the
protestant female prisoners
the arrangements for
mentioned in their
Circular to the news
journal with their warm
distinction in all respects
of support from the
catholic prisoners, and
as per copy of Chaplain

and bible-women other
superintendents as to the
old form — will be
concluded fair and
satisfactory in the circumstances

It is suggested however
that much of the smooth
working of the plan
will depend on the
details arranged as to
the provisioning, since on
the central system which
has been adopted this

might easily lead to disputes,
still this is a matter
of detail of ~~the~~
~~general importance~~ ~~the~~
~~principle of fair play~~
~~the number of~~ ~~protestants~~
~~of the protestants~~ is
management of protestant
concerns, however.

Thanking you for
your kind interest in
this matter

Remain

Yours truly
J. Dawson
