Ambrose, Dec 25, 76

Dear Sir,

Will you please accept
my acknowledgements for
the pamphlet of the Carboni-
ferous Reptiles, received
a few days since.

I have sent with another
Sigmund with a small
sandstone axis portions of
which I forward today care
of Mr Bacon, G. S. Office to whom
I am sending a bundle of plates
I have run no Sig. Stamp
so distinctly marked as the
