

I am expecting a visit from  
Mr Redgate, who with his wife  
and brother-in-law are coming  
to spend a few days in  
Cambridge -

With kind regards

I am, yours very truly

Dear Professor Dawson,

I was very much delighted  
to receive your telegram and  
letter telling me of my election  
to the Professorship, and hope  
that the Governors will have  
no cause to regret the ap-  
pointment.

I thank you most heartily for the trouble you have taken to make me acquainted with all the points connected with the Professorship, and also for the very kind invitation conveyed in your last letter.

I have not as yet decided when I shall come out, but in all probability it will be in June.

Meanwhile I shall be much obliged for any suggestions or advice you might think useful to me, in my preparation for a settlement in Canada.

I am leaving Lpool finally in about six weeks, in order to undertake some Sanitary work for a short time, but my address will still be the same at Lpool.
