Dear Sir -

I have been  
wishing to send you  
for consideration an  
offer for your  
Harbor Board & Port  
Association Board  
also & some days  
have passed since  
you spoke to me  
without my being able  
to do so -

My impression is, that  
if they were put on  
the market the  
Investment Band  
17<sup>0</sup> would bring  
1/2 per of the Factor  
Band 101 or possibly  
101 1/2 - and if you  
wish it, I shall  
try that can  
actually be got  
Yours faithfully  
G. H. Mason

Perhaps if you say  
sell if at whatever  
you may decide

I if one can be got  
of course you get  
it
