D. Li. The front of the  $\frac{1}{2}$  is  
duly to hand, it is impossible  
to replace without the  
remaining portion of the glass -

Will you send it to us  
by mail? The "Economic"  
Microscope will hold its own  
against Hartnack's & merely  
requires to be thoroughly  
introduced

The Sales are good in the  
U.S.A.

Yours faithfully

*R & J. Beck.*
