My dear Sir,
In answer to yours
of the 13th, I may say
that I have not done
very much in the description
of Invertebrate fossils. I may
refer to —

1 The description of Rossia
Canadensis, Quarterly J. London
Geol. Soc. vol XXII. & my
book "Duration of life" 1875-1.

2 Description of Palaesoria
Invertebrates of North America,
in "Acadian Geology".

3 Part Pliocene Invertebrates
of Canada, Canada Notes,
vol VI, New Series, and "Notes
on Post-pliocene of Canada",
Montreal 1872.
