My dear Sir

I took commu-

-ed to you by Mr J. W. Dawson
mentioning his son as being
qualified to represent Canada
at the Paris Exhibition
of 1878. I beg to state
in answer that nothing

has been decided yet
about the way, Canada
- do will figure or
be represented at
this Exhibition, but
I may assure you
that if by the decision
of the Government about
it, the services of
Mr Dawson may be
required I will certainly
not forget your
recommendation for him

and be most
happy to oblige you
