To Prof. J. M. Dawson L.L.D. C.M.A. F.R.S.  
Montreal Que.

Dear Sir

Your letter in regard  
to Woods "Bible Animals"  
at hand. Thanks, the  
book was intended as  
a present to you per-  
sonally & was sent express  
paid. You can place  
it in the College library  
if you prefer but it  
would be my choice  
for you to retain it  
personally, I was  
in hopes you would  
be pleased by the articles  
from Dr. McEach on  
"Evolution" but I see

you did not speak of  
it in your letter.

Mr. Mitealfe who  
attends to my business  
in Montreal will call  
upon you & if you  
will do me the great  
favor to copy into his  
prospector's book the  
favorable opinion  
of the work which  
your letter to me  
conveyed. I will  
feel myself under  
much obligation to  
you.

I am Dear Sir  
Your obedient servant
