ZOOLOGICAL DEPARTMENT.

21. 4. 77

Dear Sir

I have to return to you
my best thanks for the
M.S. lists & notes referring
to the specimens collected by you
on the Boundary Commission
Expedition & deposited by order
of the Foreign Secretary in the
British Museum. I return
your note-book by this post.

Our collection is very incom-
plete as regards the North American
Fauna, & therefore, I should

consider it a favour, if you
would send the alcoholic
preparations with the remains
of the collection as mentioned
in your letter. They may be
packed in a separate box,
apart from the other specimens.
Please direct the packages.

Please give my compliments
to Principal Dawson &
tell him that this week I
shall have an opportunity
of complying with his wish
as regards the Catalogue
