Principal Dawson, L.L.S.

Dear Sir,

I learn that you visited
this neighborhood last summer, its quar-
ries, &c., & that a report of your investigations
has been printed. I have, however, been
unable to ascertain where that re-
port can be found. I am a student
of King Coll. Toronto, stationed here for the
summer, & being somewhat interested
in the geology of the district would
feel very much obliged if you would
be so kind as to inform me where
I can obtain a copy of the report.

Yours very respectfully,

John Ross,

I have the honor to acknowledge the receipt of your check of five hundred dollars for the sum of five hundred dollars which you have been good enough to enclose to me in your letter of the 24th inst. I am a student of your school and have been very much interested in the study of the natural history of our country. I am so glad to receive your letter and so glad to receive your check. I am thinking of the report.

Yours very respectfully,
