

Montreal Aug 26 1877

Dear Sir

I send a copy of the book - roughly done up - please mark in it the places where these come in. I cannot quite make it out. Some of the passages seem right enough already.

I enclose Harper's bill for the work - of which one half is yours. The ~~amount~~ electrotyping is more than I expected but I have no reason to suppose that it is over current lib fees.

Dr Dawson

Sincerely  
Samuel Dawson
