Santa Barbara, Cal.

Aug. 15, 1877.

Dear Dr. Dawson:

Your favor of
June 1, inclosing two specimens
of C. canadense, reached me
in the field.

Please accept
my sincere thanks for the
specimens. If I can serve
you in any way, please
command my services.

Very truly yours,
Stephen Bowers.

Apr. 18, 1877.

Dear Mr. Lawson:

Your favor of June 1, in conveying two specimens of L. hirsutus, checked me in the field.

Thank you very much for the specimens. Of 2 one seen from in my way, please examine and send review.

Very truly yours,
Stephen Barnes.
