Quincy 1st Sept '77

Dear Sir,

I am writing for the Review
de Montreal an account
of our Centennial celebrations
and a review of the ex-
position itself. It is to
be followed with the
speeches - and we are
intend republishing the
whole in pamphlet
form - I must therefore
beg that you will allow

me to translate and
publish your speech which
I would not like to
do without your leave

Please at the same
time accept my thanks
for the very kind remarks
you made in regard to
myself which I did
not perhaps sufficiently
acknowledge -

I expect you speak
as revised by yourself

will be in the forthcoming
number of the Antisiam
If not you would greatly
oblige by sending me a
copy of it -

I am Dear Sir
Most sincerely yours

Wm. Chapman
