My dear Sir

I send you a  
parcel for <sup>Dr</sup> Professor Dawson  
in Montreal which I hope you  
will deliver to him and he  
will give you an answer  
for me & you will oblige  
me very much it is a sample  
of Caunals Coals we have found  
a vein of it and if it is  
worth working it may be a  
good thing for me

I Remain Yours  
George M. Henderson

P.S. Love to all Enquiring friends  
I hope the Boys proves Satisfactory  
and hope you are all well

G.M.H.
