PEACE OFFICE:

Three-Rivers, 2^d Moor. 1874.

My Dear Professor,

I have read
with a great deal of in-
terest, the report of the
Natural history Society
meeting, at Montreal,
where you kindly referred
to my "Fossil Geyser",
together with Mr. Selwyn.
I have to thank you
very much for your good
and

And weighty recommenda-
tion in favor of our re-
searches, and for your
courtesy in sending me
a copy of the report of
your proceedings. I hope,
that next summer shall
procure us the advantage
and honor of a visit
from you and Mr. Selwyn
in the St. Maurice Fields.

With renewed thanks,
I have the honor to be
My Dear Professor—
Your most humblest
L. A. Benest.
