J. W. Dawson

Dear Sir,

Your kind letter with enclosures reached me a few days ago, for which I beg to thank you. It will materially assist me in my work. I have now a goodly number of notices from various sources. I am at work on another journal article of which this will form a part & hope to have it ready in time for the January number.

I will send you copy of the part referring to the "Quake" as

soon as I can get it ready,
but amidst the press of other
work I fear it may not be
in time for the use you
propose to make of it. If not
I should be glad to make use of
anything else which may meet
your eye on the subject.

I intended to enclose
postage stamp, but it occurs to
me that our stamps would be
of no use to you in Canada, so
I don't see but I shall be
compelled to trespass upon
your generosity that far.

Yours very truly

G. Rockwood
