Dr. Dawson

Prague 28 Nov. 1877  
Bremte Gasse 25

J. B. Neek Esq.  
Dear Sir:

I acknowledge the reception of  
the Invertebrate Palaeontology and a series of  
the Reports of the New York State Cabinet. In  
exchange you shall receive the whole series of  
publications, Abhandl. der Landerkundforsch. Ver-  
ein., and some of my publications.

I prepare a large work on Sabypinthodonts  
of the coal and permian and have great want  
of the books of Dr. Dawson.

1. The Air Breathers of the Coal Period 1863 and
2. Alaskan Geology 2<sup>d</sup> edition (To exchange or to buy)

You would make me a great service to recom-  
mend me to Dr. Dawson or to let me know his  
address.

I remain

Yours

(Signed) Dr. Ant. Fritsch
