

Brookfield Nov. 28. 1877

Dear Sir

I am preparing a Memoir
of my brother, D. P. Carpenter;
~~and~~ it would be of great service,
if you could favour me with
an account of his scientific work,
at Montreal: - and I am glad
to learn, through my brother
D. W. B. Carpenter, that you
kindly express a readiness to do

so. It may be some
months before I am ready for
the printer, but I need not
say that I shall be glad
to have your communication
as soon as is quite convenient
to you.

My sister in law, in her
last letter, mentions your kindness
in relation to Phelps' scientific
books. Believe me, dear Sir,
yours respectfully,
Russell J. Carpenter

My address is
