My dear Dr Dawson

I have a notice from Weir of an adjourned Meeting of the Council of Public Instruction on Wednesday 16th inst - why he should call it the day before Parliaments meets. I cannot conceive, (do you intend to go down?) the business is application for an additional grant to Superior Education, therefore the Members who are on the C. P. Instruction should all be present, which they will not likely be the day before the house meets, the meeting ought to be adjourned until the 17th or after. I leave the

Matter with you -

very truly yours

Dr Dawson
