J. H. Dawson L. D.

Dear Sir

After much thought
and indecision - I have
finally decided to apply
for the position at Pittar,
particularly as I understand
it will not affect my position
here, therefore may I claim
your promised favour in
the way of Testimonial
or anything else you

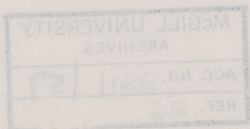

Very much at heart & best
to do for me -

Thanking you for
all your kindness & the
interest manifested in me

Believe me

Yours Respectfully

L. Scott
