

Quebec 5th Febry 1878

My dear Dr Dawson

I have not been able to
reply to your letter of the 2^o until now —

No larger amount will be granted for
Superior Education this Session —

The government will allow no change
to be made in the School Tax —

There is no one here saying a word
about it. (the School Tax) except Mayor
B

I expect to run up to the
opening of Parliament Ottawa, and
return home for Saturday —

Yours truly
J. Lorrain

Dr Dawson }
