REF. 90

Danville Linné's Fely. 11-1878
Prof. J. W. Dawson,
Montreal
Canada,
My dear Sir:

I should like to send you a box of
fruits in exchange for fruit
from Canada - this peculiar to
Canada.

I can send you good fruit from the
Niagara of Waldron Indiana.
Coal measure from this vicinity
(including a few plants) also a few
Sub Carb. including a few of the
Crawfordville Crinoids
Amongst other things rare I could send
you several Species each of the rare
Dawsonella weeki ^{Bradley} and *Papa*
truncatissima ^{Bradley} with *Nautilites*

present.

As references I am respectfully
submit the names of Prof E. D. Cope
Phila. and my friend John Collett
of Eugene Ind.

Hoping to hear from you ere long
I am Very Sincerely Yours

Wm. Gurley
