My dear Sir

As requested the
Sub Com on depositary was of
the S. S. H. met on Saturday
last. we found the store and stock
in a very unsatisfactory condition.
And as Mr Stacey has obstinately
refused to be guided by our
advice. and ordered quantities
of goods contrary to our express
written instructions. it seems to me
useless to continue the Com. unless
a change is made in the Superintendent
it is simply a waste of time, which
I cannot spare, unless to really accomplish
something. At my part ever since I
cheerfully remained upon the Com
this year hoping to assist in getting
the Com more healthy & stable,
I

under Mr. Steep's management.
The Com will prepare a formal
report and have it in your
hands before the next month meeting.
I may also say that it will not be
possible for our to attend afternoon
meetings, as it interferes so much with
business engagements.

I remain
Very faithfully
Yours
