My dear Sir

As it is after 4 P.M.  
& Offices closed I am obliged  
to postpone till tomorrow processing  
your cheque for the Council  
Expenses - but I will be careful  
to send it by mail tomorrow -

The expenses to & from Montreal,  
including Carriage at both ends,  
A.R. fare & sleep<sup>g</sup> berth, crossing  
river & a day's hotel expenses  
here, have usually been put  
at 20\$ in the winter time  
& this amount is written in  
the receipt - but if not suffi-  
cient please change ~~the figure~~  
in signing it in duplicate -  
Please to cause the envelope

Miles  
Ly/78

containing receipt to come  
to the office tomorrow forenoon  
by leaving it with the Office  
clerk at the Hotel before  
you leave -

I will see to getting written  
the names of those  
books -

Yours truly  
A. W. Healey
