

Tweeddale Court.

Edinburgh March 7. 1878

Dear Sir

We now write to mention that we have carried out your instructions of 14th Dec. last in reference to the printing and disposal of "Academy Geology" Supplement and complete books.

We have sent invoices to Messrs Van Nostrand, Dawson Brothers, and McKinlay charging the books on your account, and notifying what they are to pay you for the packing cases.

Sup^{rs} Macmillan & Co returned
to us 4 copies of the former
edition, and we have sent them
25 copies of the new Edition.
We understand that the price
of these complete, notwithstanding
the addition of the Supplement,
remains the same as before.

We enclose a list of Editors'
copies that we have delivered,
of this list we have sent
a copy to Macmillan, and
of the copies Supplement
presented, so that they may
be informed of what has been
done,

We hope you may be
pleased with the printing and
appearance of the books. We
enclose statement of account,
and with kind regards
we are

Dear Sir

Yours truly

Alvin S. Boyd

P.S. We have put the woodcuts
of the Supplement beside those of
the volume.
