

New York State Museum of Natural History,

Albany, May 6th 1878

Dear Dr. Dawson

I have sent
by express the Reports 26-28 -
and a brochure for the
sale of all the plates - I waited
for the binding of the covers and
the binder has been very
slow - while I have
been sent for the part
the covers - I am very
sorry to have delayed so
long, but the winter
storming has been very
trying to me, with our
Legislature - It is by no
means an easy road that
I travel -

Very truly yours
James Hall
