

Brantford, May 6th, 1878.

Mr. Dawson,

Dear Sir,

I should be very thankful for a few items of information concerning the constitution of Your Senate. If my enquiries are proper, I would ask, Of how many members does the Senate of Your University consist? How many are members *ex officio*? How many are elected by the Alumni? How many are appointed by Government? What length are the terms of office? - This subject of Elective Senates is now one of special interest in this City, and information on the points stated will greatly oblige

Yours most respectfully,

John Petch.
