To Prof. Dawson  
Dear Sir

I would like to  
try and pass the Matriculation  
Examination in Arts next year  
I hope to be able to attend our  
Theological College (Methodist) the  
next year. I may not attend  
yet I expect to at present &  
if I could pass the Matriculation  
in Sep<sup>r</sup> next & then studied as much  
as possible during the year I might  
take the first year in Arts & a  
part of a year at least in Theology  
I may just say that I am  
a Minister of the Methodist  
Church & was ordained one  
year ago last Conference I  
feel the need of a broader edu-  
cation for this Holy toil & hope to

you may send that he has used the greatest  
care in the examination. It will save me a journey  
187 mls. (thereabouts) at least one week's work in my Museum  
which will be somewhat neglected by trying to prepare  
it of some expense. I am not positive I can pass  
up it. I think I can then could devote my time for  
the most part to the first year's work.  
Now you will greatly oblige by forwarding  
a Calendar (~~of Matsushima~~) & even still more  
by permitting Dr. Mather to conduct the exam-  
ination in this place. I will forward the  
Maturation fee with the same Mail ~~as above~~  
against a close remaining your Most Humble  
to Prof. Dawson

one

pass with a view to this in Sep.  
I have attended Toronto  
Grammar School for about  
seven months and University  
(Toronto) College one year as a spec-  
ialist - read the pass Classics  
pass & hon Hebrew of the first  
year in fact most of the  
pass work of first year & hence  
notwithstanding the work of my <sup>Mission</sup>  
I think I could prepare the Matric.  
work. Now I have thought  
that perhaps you would  
permit a former graduate  
of McGill to examine me ~~on~~  
the papers for Matriculation as  
I cannot attend this present  
year. Dr Metcalbe of this place  
although I have not mentioned this  
fact whom I think would be willing to  
examine ~~on~~ those papers in his own  
Office will sign any declaration
