

P.S. I should have been in sooner, but that the C.O. is not in yet. I had some papers over, I hope!

70.  
My dear Principal,

I hope to be at No 3 Windanere Terrace, Mackay Street, by 8-9 P.M. of to-morrow. Thursday I shall be sitting in review. Saturday - after the meeting - I must run out again, if possible.

My hope is, that I may be able next week to go to Dulbec. I will, if I can; you may be sure.

In haste,

Yours very faithfully  
Wm. W. Walker.
