BOTANIC GARDEN, CAMBRIDGE, MASS.

June 12

1878

Dear Dr. Dawson

Prof. Smith has  
made no engagement  
to be in our way, &  
Mrs. Gray bids me say  
that, in default of  
Madame, we shall be  
glad to receive Miss  
Dawson — on Tuesday.

Yours in haste,  
Tracy

A Gray
