

Mr. Davis

75 City Councilor's

June 18<sup>th</sup> / 98

Dear Mr. Johnson

It is with feelings  
of the deepest grati-  
fude that I sit down  
to write and thank  
you for the kindness  
which prompted you  
to send me such a  
kind sympathizing  
letter and also for  
promising to recom-  
mend me to any  
gentlemen regarding

20ms. I feel your  
goodness and atten-  
-tion deeply.

I have also to thank  
you for offering to  
speak to Mr Herries  
I really believe that  
if the influence of  
some gentlemen  
could be obtained  
in my behalf I should  
be successful in  
getting into the  
Grand Bank. The  
Office is in Shrewsbury

Castles Lyonesse & I  
believe most of the  
work is conducted  
by Ladies. Mr Drink  
water attends to  
Mr Nicholson's duties  
during his absence  
in England. I had  
told to write to Mr  
J. S. Hunter & Hilly  
who had some in-  
fluence with the  
Grand Jurors. I did  
so. but received no  
reply. So you know

him? I am so an-  
xious to begin work  
at once for it is so  
necessary to ~~begin~~  
for me to do so ~~soon~~  
sincerely ad. I des-  
pair letting my ~~business~~  
until the Fall.

Let me again ~~ask~~  
you to accept my  
heartfelt gratitude  
Such gratitude as  
only the poor and  
desolate can feel  
& apologize for asking  
so much from you
