

Toronto

23rd June, 1878.

My dear fri,

I duly received
your letter of the 10th instant
with its enclosures, being further
testimonials as to M. W. B. Dawson.
Also a copy of the official report
of the marks obtained by him
and four other competitors.
This, with other papers, will be duly
considered in reference to the proposed
appointment to the professorship
of

Cooks
Aug 178

of Engineering in the School of
Practical Science
Law.

faithfully yours
Man [unclear]

Principal Dawson
