

Lubbock. June 28th

Dear Dr. Jewson

We arrived here yesterday & your letter after travelling up to Collingwood, must have come by the same train. We are very much obliged to you for the introduction I had some qualms of conscience at so much of your valuable time being taken up in our behalf, but these letters will be of

great use to us, & you
both I am sure, be
pleas'd if through your
instrumentality doors of
usefulness are opened
to us. We have an
introduction to a Mr. ^{Lyworth}
in Charlotte Town who
is very desirous that a
work should be done
there. I also to Mr. ^{Trueman}
in Halifax, he is a
Christian man and an
old resident, I believe.
The heat is melting now
& we shall be thankful

when the long journey is
over. We intend to take a
long rest first, as Miss Beard
needs invigorating after
her severe illness, & I
am rather tired after
some months of work.

We enjoyed greatly meeting
you dear friends,

Mr. & Mrs. Wilson in Collywood
if they are now in Neth,
with you give them our
love, also to Mr. & Mrs. Dutton

Believe me

Yrs very sincerely
Ellen Logan
