Jackson Mich.

July 2nd 1878.

Permit me to thank you  
for your very kind offer  
for the paper sent me.  
I am gratified you are  
quite ready to give me  
but the paper is not  
with delight. I will  
be ready to send you  
proposed - I will very gratefully  
recline. Thank you for your  
questions to study. I have already  
received all the specimens found  
this as far as I know. I have  
two <sup>of</sup> <sup>the</sup> <sup>specimens</sup> <sup>found</sup>  
one of which I must be very glad  
to send you if you will accept it  
It is a beautiful specimen and if  
you have room it would give  
me great pleasure to give it to  
you. I will send it by mail if I  
think it worth accepting. Hoping  
this will not annoy you - Hoping  
you have a very good  
Mrs. E. M. Wilcox.
