

Princeton Review.

47 Park Ave. N.Y.,
Aug. 9. 78.

Dear Mr. Lawson

My engagements
for the next three numbers
have been almost
completed, and the matter
in hand is so great, that
I am utterly unable to
avail myself of an article
which I would under other
circumstances most
desire to publish.

In a few months I
hope that I may be more

at liberty to act

Yours

With great respect

James M. Libbey
