

Pictou th 11 Sept 1878

My Dear Sir

John C Reid of
New Glasgow has offered me
One Hundred Dollars for your
lot near the Narrows, East
River, but requires that you
pay a surveyor to run the
lines. If you consent to let
him have it, I will endeavor
to have the survey conducted
as economically as possible
I do not see much prospect
of doing better with it but of
course await your decision

Yours Truly
