My dear Mr. Primmer,

I am in receipt
of yours of 11th inst. respecting
lot on East River. The
price offered by Mr. ~~W. D. D.~~
Reid seems to me very
small as there are 14
acres of land, and at a
point which I have under-
stood to be eligible for
shipbuilding. There is also
a pasture ground more or less
good on the land. I think
I should get \$200 for the

proprietor at least

I have also held
this lot under the
impression that it is
a place valuable to
the Indians as a
camping ground and
if I were to part with
it I would like to
be able to do some
good to them out
of the proceeds.

Perhaps you can
find out if it is really
useful to the Indians

And if not I shall
authorize you to sell
it for not less than
\$100 hoping however that
we will come with more,
