

City of Quebec

McGill College,
Montreal.

October 4, 1878

My dear Sir,

I send by mail
to-day, (registered by book
post) M.S. of Chaps
I, II, III of "Links of
the Chain of Life" or
"Epochs in the Earth's History"
as the case may be
also copies of the Minutes
of about 20 will see that
there are decrees to
be engraved that the
James Clark & Co. of
the Electus will be sent
by next steamer and in
Electus sent by post as
the my property. R.S. & pay
C & B & H.S.

mean time the cuts
to be engraved might
be put to hand.

I enclose all cuts
of plates to the Master
of the map of my own
of the whole staff survey
I wish I shall write
I shall get on a copy
as printed with the
survey drafts; but
and shall hope to
have proof sent
to me as I will
be quite ready that
I will send.
