Dear Sir,

Could you not arrange matters to find rooms in some of your schools for Miss Lucas. I would like to be useful to her in some shape, - because I am thoroughly convinced she has not been fairly dealt with. She has in hand the best diplomas & certificates and if she has been found incompetent it was when she was forced to look after four or five hundred pupils at the same time. Would you not do her and myself the favor of having an interview with her ~~you~~? I think you would have compassion on her if you heard her case from her own lips.

Yours truly
