

Montreal Oct 14 1878

Dear Sir

I have recd no notice
of a diploma. I saw by
the papers something about
the disinterested exhibit of
Lusbec but nothing else.

As for the return of the
exhibit I was informed by
Mr Grant that all the goods
taken over by the Government
would be returned by the
Government. These went
in a special car sent off by
Mr Selwyn as Commissioner

Truly

W Dawson
