Professor Dawson  
My Dear Sir

In answer  
to yours of today I would say  
that I have not up to date  
received any goods from Messrs  
Davis & Co of London  
for your account. but will by  
first mail enquire from the  
above firm if they have shipped  
any parcel for you. it might  
be well if you will give me the  
name of your friend in Sweden  
also his address who advises  
you that he shipped the parcel  
through Davis & Co

Yours truly  
W. Dawson
