

Dec. 10, 1878

My dear Sir,

I have had
time only within the
last few days to look
over your list of fruits.

I find that
it does not contain
what I most want
namely fruits of the
Linnæus Helderberg Series,
(Cornifera and No again
we are better provided

with.) Some of the
fruits too you sent are
numerous dendroica
with us especially
the Cinnoids

I would therefore
be glad to take the
12 specimens of Cinnoids
at \$12 as priced and
pay the amt either
~~directly to you~~
& Messrs Dawson Bros

Go sells for the best
~~here as you might direct,~~
~~if the specimens are fairly~~
~~good ones.~~

Or if you prefer it
for the sake of the
curios and some
species not represented
^{take whole of} ~~Curios~~ ~~Wp Dms~~
here I would ~~save~~ ~~200~~
~~2000 & 2000 & 600, and give~~
~~\$25 for the whole lot.~~
By Duty

shall try to see Messrs
Dawson before closing this
and ascertain if I can
make any better bargain

~~for you for the Naturalist
in connection with
the above.~~

Truly yours

W. Dawson
