Montreal 11 Dec. 1878

Dear Sir,

I am very much
obliged to you for your note
of this morning.

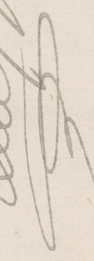

In writing to Mr. Stewart
and Mr. Ker about a month
ago, I took occasion to
mention that there were 43
Shares belonging to Sir W. L. Logan's
Estate in Bank of Montreal
Stock, which perhaps they might
wish me to dispose of, stating
at the same time that I did not
think it advisable to sell just
now. In reply to my letter,

M^{rs} Stewart and M^{rs} Ker say
that they think of selling the
Shares; but as I do not think
the present a good time for the
Sale, they have no objections
to wait a little, as they suppose
I think it quite safe to do so.
I myself consider Bank of
Montreal Stock a good investment
better than anything else almost
I know of just now, and I really
think I will be safe in advising
my friends to postpone its Sale
for some little time yet. I presume
you will have no objection to my saying
that you are of the same opinion -

Yours truly,

B. R. Grant
