Dear Dr. Dawson,

By Mr. Dunlop  
of your city, who crossed  
with me in St. Moravian  
I send you up the best  
referred to. Though there  
is nothing really valuable.  
The forms represent the  
Crag and I think you  
will be pleased.

I hope to be up in  
Montreal directly after  
Xmas.

Yours faithfully  
W. R. R. R.
