My dear Sir,

The Committee of Arrangements for the observance of the week of Prayer will be glad if you will preside at the First Baptist Church, St Catherine St, on the Tuesday evening, 6 January. I enclose circular from the Parent Alliance but it was resolved not to confine speakers or prayers to the subjects there suggested at the Ex. meetings, but rather to invite or encourage addresses of an Evangelistic character. We have asked Mr Stevenson & Mr Black to support you by being ready to strike in with addresses during the Ex. ^{others will also take part.} I hope we may count upon you doing the rest I ask.

Believe me,
Yours very sincerely,
Principal Dawson Farnham
