

The House, Ottawa,
'26-Dec' 78
My Dear D-Dawson,

We are all very grateful
for your kind remembrance of
Alec; he himself is delighted with
such a pleasing addition to his
little library, to which you have
already been a generous contribu-
-tor. He desires me to send you
the enclosed photo, which is I think
similar to the one that you saw
at D-Jenkins'.

Mr-Gordon unites with me in
sending kind Christmas greetings
to your family circle.

Yours very faithfully
Alec Dawson Esq
