REF. 51

My dear Sir,
Ithaca, N.Y., Jan'y 21 '79.

The corals marked "Acadian" on the list of Mrs. Hartt's collections, I now find (on arrival of my assistant) to be wrongly listed. They are not Canadian from Acadian provinces, or even from Canada, but mostly from this region, Devonian.

I am mortified on account of the error which occurred in having the original list copied, and was not incorporated into our list as well.

Mrs. H. has sent me your kind letter. It will be some days probably before she can give you a definite answer.

Very Respectfully,
Theo. B. Conestock
